FOCUS

To mentally and emotionally set yourself to what is ahead of you. (2019)

FOCUS:

Will bring your mind, your will and emotions into alignment; it's the place of agreement; the place of power.

Focus (is) Points Of Power:

- ✓ Clarity and alertness of mind
 - ✓ Fearlessness in the face of opposition
 - ✓ Confidence that you can do whatever you set your mind to
 - ✓ Getting in the zone; staying on target
 - ✓ Power
 - ✓ Taking hold of life and not letting go until your dreams become a reality
 - ✓ Knowing that if God be for you, who can be against you

Focus will require *Discipline*:

You have to Focus for where you are going, not for where you've been.

There is a difference in *No Focus* and *Wrong Focus*.

The greatest resistance comes when you are near the greatest opportunity; and to get the greatest opportunity, you have to fight the greatest resistance.

Luke 15:11-18
