

## Remember:

This is the year of Spiritual Renewal and Expecting God's Will to be done.

In 2019, you can't ignore God. You will have to work with Him.

Jeremiah 29:11

## Points Of Power:

- ✓ The favor of God has everything to do with how you treat people.
- ✓ When God shows you favor, it's God sending someone who
  can solve a problem for you.
  - ✓ God uses His favor to promote, protect and provide.

Don't chose to be distant from authorities. Always pay attention and seek out correction from God and those in authority.
