

# *AVOIDING DISTRACTIONS*

II SAMUEL 11:1-3 KJV

**LUKE 4:1-12, I KINGS 18:42-46**

# *Remember:*

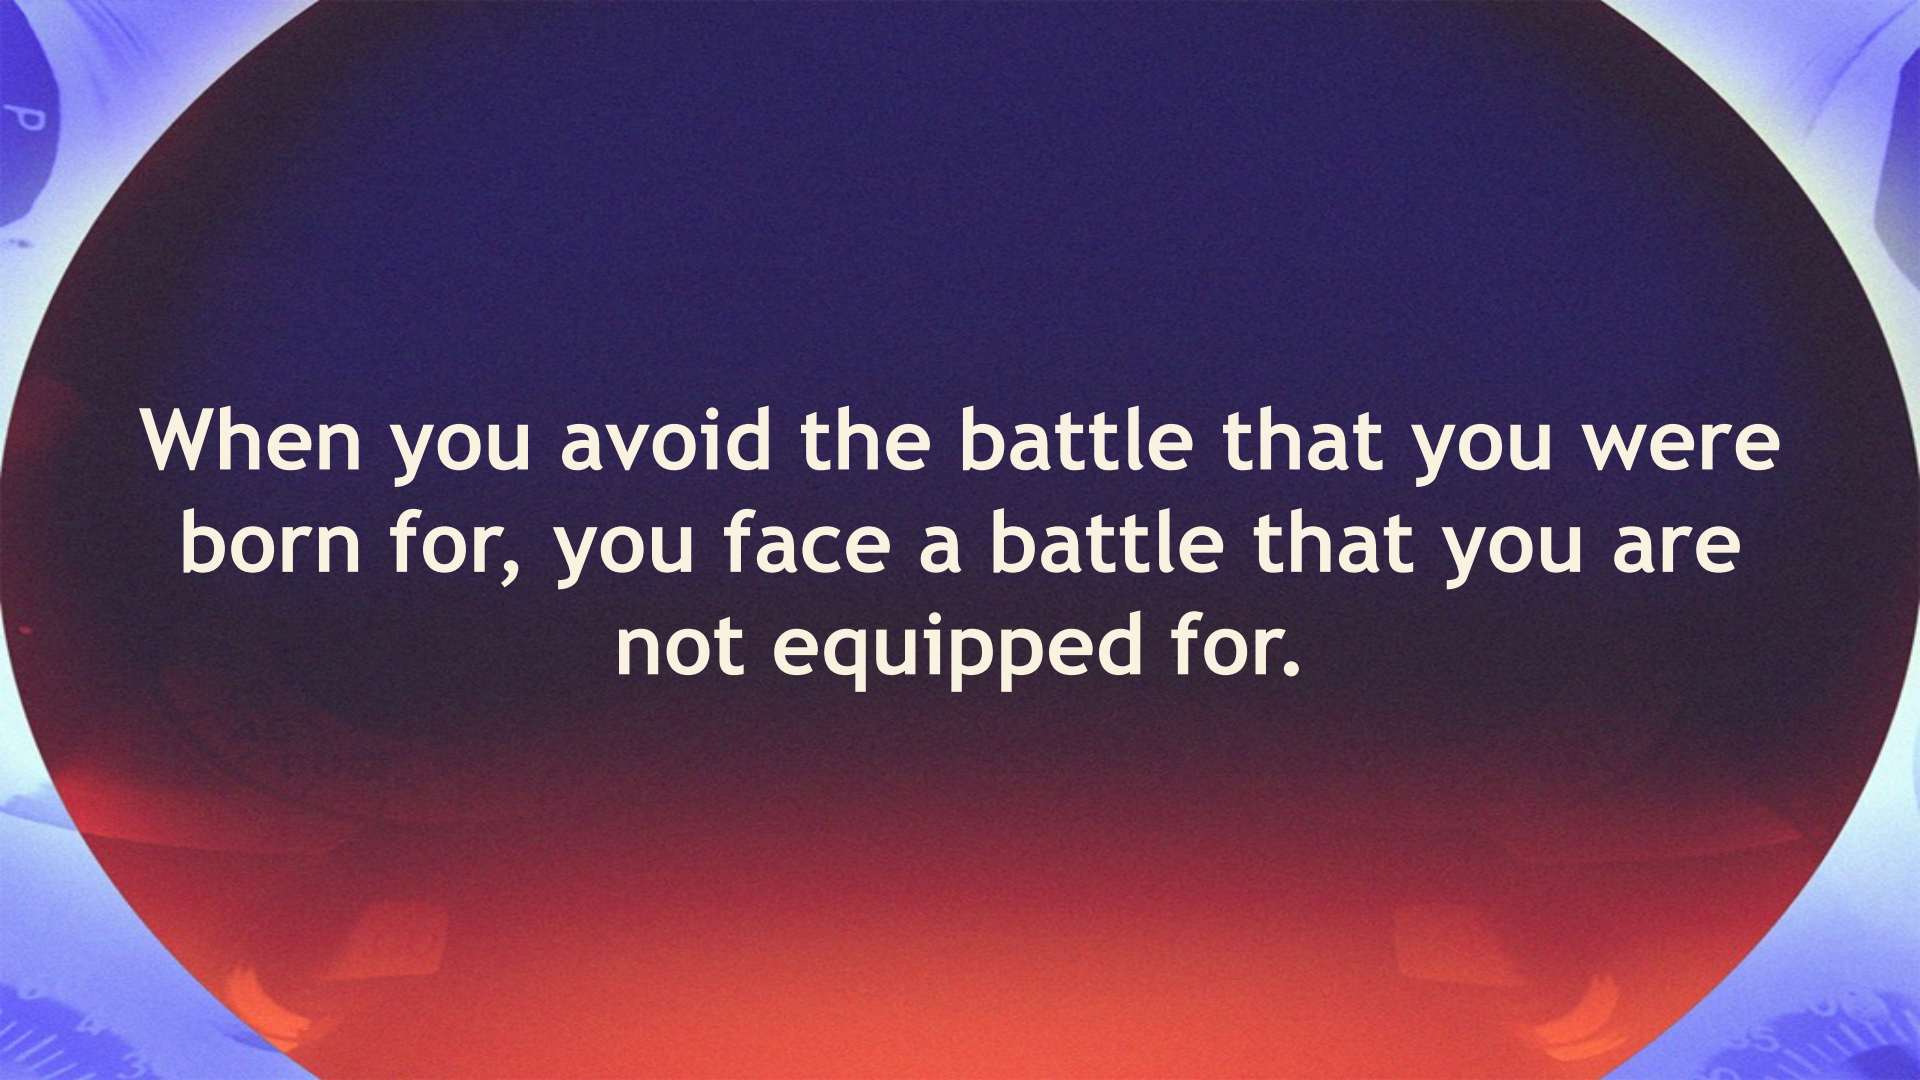

This is the year of Spiritual Renewal and  
Expecting God's Will to be done.

In 2019, you can't ignore God. You will have to  
work with Him.

**Jeremiah 29:11**

## Points Of Power:

- ✓ When you are distracted, you are putting your attention on something you are not supposed to. Therefore, it pulls your attention away from something you are supposed to be doing.

**When you avoid the battle that you were  
born for, you face a battle that you are  
not equipped for.**

Distraction is the  
destruction of your dream in slow motion.

When you are doing what you are not  
supposed to be doing, it means you are  
failing at what you are supposed to be  
doing.

Distraction has a purpose and its purpose is to  
distract you from your purpose.

God does everything with a purpose, on  
purpose and for a purpose.
