## **THINK BIG**

It's how you see yourself and what God has for you.

> Numbers 13-31-33 Genesis 1:26-26, 3:1-5

## **POINTS OF POWER:**

## It's God's design and desire that we be people of progression.

Growing spiritually does not fix everything, but growing spiritually improves everything.

You will never know who you are if you are obsessed with who somebody else is.
