The *local church* is God's hope and model for unbelievers to see a picture of what God's love should be like in a *family*.

A pair of hands, one on the left and one on the right, are shown from the wrist up, holding a large pile of dark-colored poker chips. The chips are stacked and scattered, with some showing the word 'POKER' and a small logo. The background is dark, and the lighting is dramatic, highlighting the hands and the chips.

If God picks you, believe Him. He knows something about you that you don't.

Belonging Points Of Power:

The enemy
knows that while
you are
wondering, you
are *wasting*.

The enemy knows
also that while you
are *belonging*, you
are *building*.

Three Things To Remember:

- ✓ You don't fit into the world because you don't belong to it.
- ✓ You belong to who? *God*
- ✓ You belong where? *In the local church*
(the family of God).
